Miscellaneous	\$142
FUNDRAISING	\$834

Nothing is Impossible with GOD! – A MIRACLE! We believe our LORD has answered our prayers! Join us in thanking HIM! We saw over 640,000 more visitors to our websites this June than in June 2013! More importantly, the gospel was displayed over a half million times more as well! 11,292 people indicated first-time decisions to make Jesus their LORD and Savior in June!

The Details Before the MIRACLE – Since April 11, 2011 Google has suppressed our rankings in what we believe was a response by hundreds of militant atheists on Richard Dawkins' Forum (some of which worked at Google) stating, "AllAboutScience.org is a creationist fraud." As our government's NSF (National Science Foundation) initially funded Google through the Digital Libraries Initiative (http://www.nsf.gov/discoveries/disc_summ.jsp?cntn_id=100660) it goes without saying that any website that did not hold to the lie of macro-evolution, but ranked #1 for over a decade, was bound to draw attention. We had so many high rankings in Google on science topics like "Darwin's theory of evolution" (<http://www.darwins-theory-of-evolution.com>) and "anatomical homology" (<http://www.AllAboutScience.org>) that we were well known by the NSF, Google and militant atheists. As our enemies increased and organized, Google "corrected" the "problem" 38 months ago and no amount of SEO expertise could effectively combat that sinister decision to blackball us. All of our largest websites were targeted. Our most fruitful article, "How to Commit Suicide", designed to help people temporarily and eternally dropped from #1 to #28. So we all prayed and watched as we lost traffic each month until late May of this year. With Google making up about 75% of our overall traffic we did everything the LORD showed us to improve gospel viewings in the hope more people would be saved, despite our traffic losses. GOD has responded! While the suicide article now ranks #15 (page 2 of a Google search) it is still the highest-ranking Christian website. AllAboutGOD.com once again ranks #1 for "who is God". Please pray that GOD would protect what He has restored and increases it in the days ahead!

Multi-Lingual Outreach – Our content in Bulgarian, Chinese, Dutch, French, German, Italian, Japanese, Polish, Portuguese, Romanian, and Spanish languages received a total of 6,455,545 pageviews! Remarkably, these pageviews were created by 2,838,388 visitors. Miraculously, **21,810 people indicated first-time decisions** to receive Jesus as their LORD and Savior!

Online Teaching & Communities – God continues to bless our 24/7 online private social media community, AllAboutGOD.net. TheNET is our Internet discipleship hub that has 14,190 members. Please pray for Pastor LT and his volunteer administrators who oversee all these people.

Our Greatest Immediate Need – Despite all this great news and huge fruitfulness we truly need your help. **We started this year with a shortfall of approximately \$17,000.** Please pray for us, share this report with your friends and families, and give as our LORD leads you. On average, **every \$1 you give results in one person making a first-time decision to receive Jesus Christ as their LORD and Savior!**
